

Pivot table questions

If you don't already have it, please download [this version of the ACOA data](#) that we've uploaded and manipulated in Excel. To answer the questions, use the table in the WorkingCopy worksheet.

- 1) PivotTable_1: which month saw the greatest number of loans of all kinds in 2016?
- 2) Pivot Table_2: which month saw the greatest value grant payments in 2016?
- 3) PivotTable_3: what's the most common type of project description between 2010 and 2016?
- 4) PivotTable_4: what's the most common type of project description between 2010 and 2016 that received the highest number of grants and non-repayable loans and contributions?
- 5) PivotTable_5: which "client" received most money in non-repayable loans in 2016?
