NTR2004000006 Natural Resources Canada Media 16/04/2004 "This request is based on a comment made by the Hon. R. J. Efford in the House of Commons on February 2, 2004: Mr. Speaker, we have this issue under discussion. I have always been of the view that private industry and the prices in private industry should be determined on the market price. Also, each provincial government has an option to regulate prices. Two provinces in Canada, Newfoundland and Labrador and P.E.I.,

already have given that consideration. We are looking at the issue, and we will make a decision some time in the near future Clarification on May 10/04 Reports, studies, e-mails or any other documentation concerning regulating gas prices across Canada. The time period for retrieving this information is from October 1, 2003 until present; (first draft and final version of the document)"
