"Information related to operating and maintenance costs for the period 1 Jan 1993 to 26 Oct 2004, for Canada's existing fleet of three Oberon-class submarines, purchased from Britain in

the 1960's. This request includes maintenance and capital costs to replace major components, cost of staff time, and expertise needed to assess the need for repair and/or replacement of component parts, and other expenses in maintenance records associated with maintaining the aging fleet of submarines. I would also like to know how detailed, and in what format, a breakdown of maintenance costs may be available, which may form part of this Access request"
